RESPONSE and AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

It is not believed that extensions of time or fees for net addition of claims are required beyond the one month extension set forth in the Petition for Extension of time form accompanying this response. A one month extension is sufficient because the November 13 due date fell on a Sunday. However, in the event that additional extensions of time are necessary, then such extensions of time are hereby petitioned under 37 CFR § 1.136(a); and any fees required for consideration of this paper and any papers associated with it (including fees for net addition of claims) are hereby authorized to be charged to Deposit Account No. 501749.
